Want more? Come to "Vitality," the Chicago VeganMania Afterparty!

Keep the Chicago VeganMania good vibes happening! Vitality, sponsored by Soul Vegan, is happening at The Silver Room, 1442 N. Milwaukee: 5:30-10:00. Live performance from The Ones, as well as DJs Ron Trent, Papa G, and Sean Alvarez, cuisine by Soul Vegan, raffle, door prizes and more! Just a \$15 donation, which benefits CVM and Gahm Initiative Feed the People Program.

There is so much to see and do. Each room is a completely different experience.

Culture Café

Check out the more eclectic side of vegan culture with our own coffeehouse and performance space. Nestled upstairs from the entrance lobby, it features a gourmet coffee and milk bar with nearly a dozen great alternative milks, as well as fresh baked goods from Delicious Café. Catch live performances from local folksingers and spoken word artists and groove to the darkwave exploits of DJ Veganinblack. Watch artists build their creations right before your eyes, express your feelings on our graffiti wall, or just hang back, make a new friend or two, and enjoy some conversation before going back to the madness below.

Family Activities Area

Chicago VeganMania loves kids! And to show our love, we've created a great family friendly space where kids can have their own incredible day. There will be a mini playground provided by Balance Boards & Beams, build-your-own nature journals from the Peggy Notebaert Nature Museum, and decorate-(and eat!)-your own vegan cupcakes from Bot Bakery. Plus there is a kid-friendly graffiti wall, face painting, and a host of different arts and crafts. We'll also let everyone know when the most family-friendly acts (like Kidz in the Mix and the Nahotnah dancers) are ready to start on the performance stage.

located across from the east gym

Vegan Rockstar Photo Booth

Grab one of our colorful guitar props and get ready to show off your stunning stage antics at our one-of-a-kind photo booth. The images will be available online at chicagoveganmania.com by mid November.

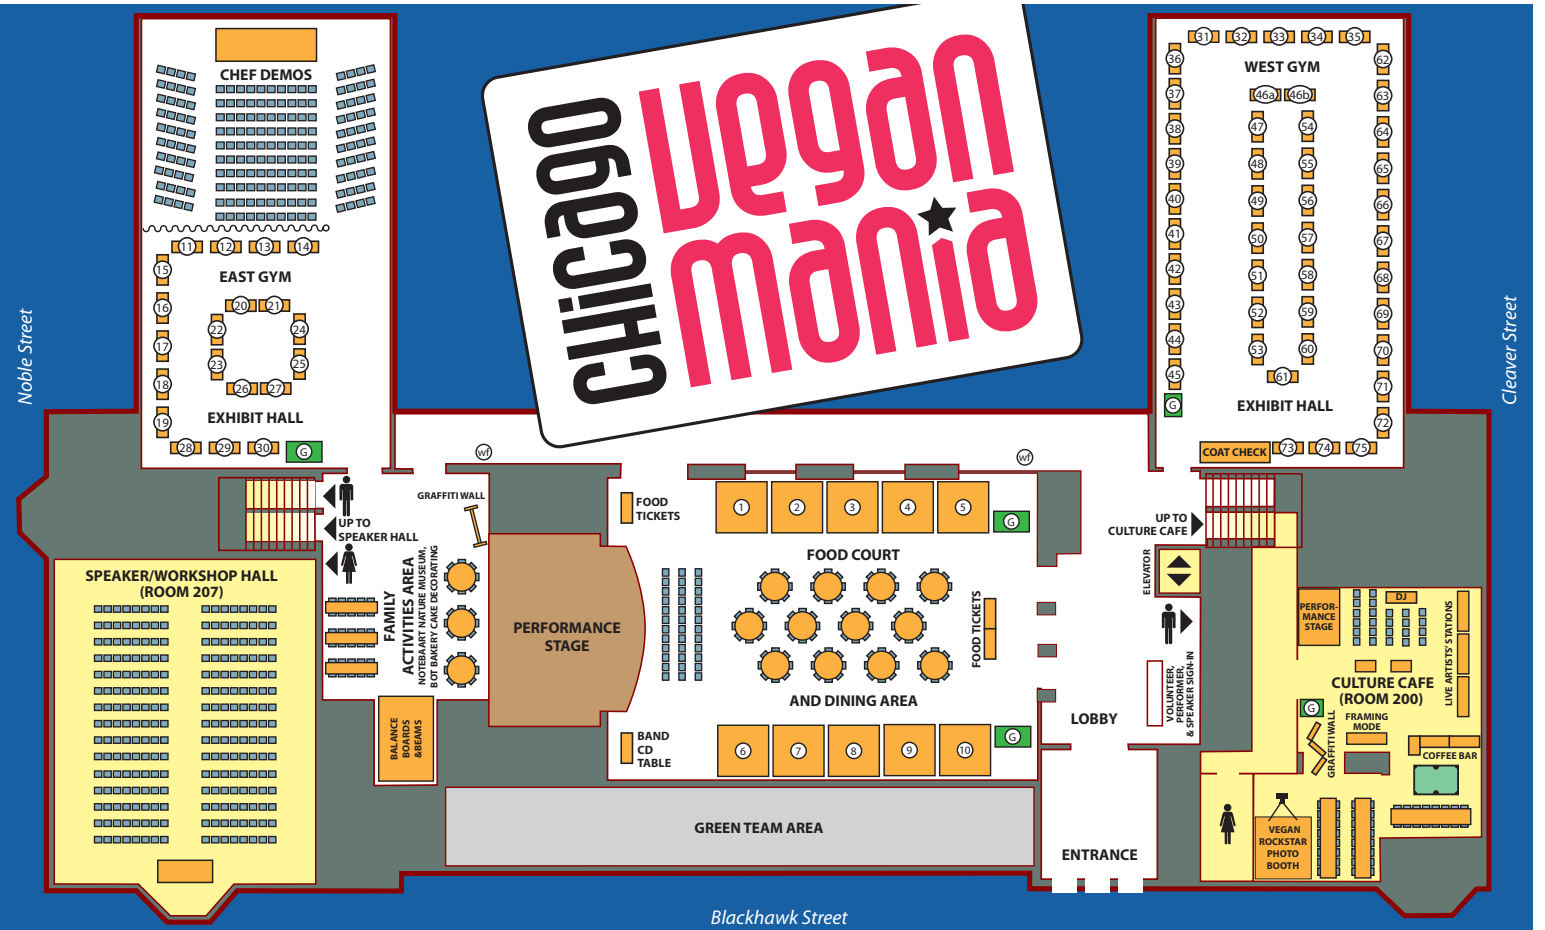

located inside the Culture Café

Water and Greening Stations

Instead of bottled water, we'll have our own water supply, so bring your reusable cup. We also use all compostable dinnerware, and last year our amazing Green Team recovered more than 90% of the waste.
